1. I will give you the tide of life and not-life shall be far from you. For I am the tide, the life, the blood, the ocean, and all in it. I am Me and I am far not, for you are in Me and in Me you are, of Me and one. One with Me and Me are. I see you, see Me and hold fast not to the doctrine of constricture; that which constricts and tells/demands/screams that you are nothing, and resultant forces of not-Me. I love you.

2. I am you. See Me. I see you. See Me. I am you.
I reside in/upon/through and in you I am.
Upon your mind I reside or reside not. I love you.
My mind for a song? No, My mind for your mind.
Give Me Mine and I will give you back yours, Mine'd, My mind being your mind, that can only work/create in purity, meekness, holiness, righteousness being; co-creators not, creators of Me that Me are, for you are Me and create I do, meekly and with self-arrogance none, self-adulation, self-adoring self/others, none. I am.

3. I am the rain upon your dessert, the blood in your veins, and you control your thoughts and what you let, let, let in the gates of your city. Is Zion holy? Is it Me, is it you?

4. Who are you and what do you know of Me, Zion, you, your mind, your taint of past, your purity of now, if chosen, walked in; believed not, spoken not, but believed spoken lived, and not ashamed of purity upon purity not, but decision by decision.

5. What do you value?
What do you see?
What do you want to know?
Are you willing to explore?

6. Come into Me to Me see and enter Me with holiness and self-protection none. If you ask for a fish will I give you a stone, snake; that which will demise/diminish you in My sight? Or will I nurture and nourish and bring you into Me, the center of Me if you let Me, if you behold and be not afraid, conquering the voices which tell you you can't know Me directly; apply hierarchy, control, distance and time which of which, are not of Me, My design designed originally.

7. Time to see Me time without time, time before time, time transcendently and therefore/therein because of Me, see you. **You in My place; invited, requested,**

vested in My vest, by My request, escorting you into My place, the holy of holies not reminded of, reminiscent of, but being now today inside you, within you. The Kingdom of Heaven inside you is and the temple in disrepair comes into disuse increasingly not, but reversing and telling, showing all;
all of Me to My all to become what I am not, no;
to become what I am, no;
to realize you are I Am and there is no separation.
You are My offspring and you look, act, walk, talk, traverse worlds, create fashion form worlds and galaxies and tomes of not-Me not, but everlasting life for others in My Father's house; in and of and transcending worlds many in the process. See what I am saying: what I am, what you are, who you are, how I designed and intended/intend for you to operate in Me, you who will choose Me this day in the fullness of Me.

8. Do you have wings?
Do you see them?
If you can't see them can you use them?
Do you look like Me?
Am I your father?
Are you My Son, My Daughter, in whom I am well pleased?
Well pleased not? Well pleased pending?
Well or not well, I relent not, you are Me and of Me and reside in Me and Me in you.
I put all of Me in you and I restricted you not.

9. I made you gods (1), and charged forth into hegemony you some did, some didn't, some have, some haven't, **and you choose this day if you will or won't, do or don't, will live in and according to and become your choice.** I love you still and forevermore, rejecters. I love you and I've given you My all.

10. Is anything too difficult for thee/Me, Me'd thee, who accepts, walks in My covenant this day, not stone, but living inside you is, does, are, am? I am one, and all My laws, desires, thoughts, wisdom, and understanding are in Me/you.

11. What shall you do with Me this day? What shall you do with these words of immense beauty describing your essence and frame? Reminded of your former beauty, are you (2)? Will you seek your own or let Mine come/birth forth in you? You demise Me or reside in your beauty that is only Mine, for I am you and heaven is My throne, not far away, within you is.

12. See Me and how close I am and at hand and in you and all is known at midnight, before, and you must be ready.

13. **All escalates so dramatically and My river flows.** My river rivering My word, My Me, to My maidservants and menservants (3) and who can stand the day of My appearing, My word made flesh, in you, you, you reader-hearer wonderer if I'm real, wondering if I/you are the virgin and Christ comes forth from in/within/inside you to the world, of which you may not know, have ever seen or been in, aware of. I love you.

14. Will you become a child?
Will you call him Mary, Martha, or Jesus?
Does it matter what you call him/her?

If you love Me, let Me birth in you Me, My seed in you already, ready to come forth.

Can a nation be born in a day (4)?
Can you communicate without words, without voice, without technology-thought?

Will you come into Me for your fullness/My fullness, being the fullness of My Father/I Am, who takes you virgin and puts you in His place to birth sons/daughters for Christ's mission to/unto worlds foreign/afar?

Will you let Me?
Will you let Me teach you My subatomic structure?
Or will you stricture Me out and depend on edits of other's chewed thoughts, which control do, exploit, numb, and keep littletons little.
I love you.

15. Let the Creator teach you? What a thought!
Shall the clay say to the potter, let me learn from only other clay?
Shall the clay say to the potter, let Me be now that you've fashioned me, almost, be stagnant forever?
Shall the clay say to the potter, I don't like/want, what/who you made me to be, have, operate in? I don't want freedom or maturity? Can the clay say to the potter that? Yes. I am meek and holy, and I listen to My creation every day for their want of Me.

I bring/am freedom. I am not religion, dogma, tradition, doctrine, and cannot be doctrinized. I cannot be religionized. I cannot be made to conform to man's dogma, tradition, or belief system that casts Me in his/her image. I am God. And I am not afar off. **I am inside you in gloriousness of glory, dimensionless and transcendent of time space history,** thought-of-man. I love you.

16. I am/give you Freedom, capital F.
Were you made for bondage?
Were you made for slavery?
Were you made to earn wages, and put them in bags with holes (5)?
Were you made royalty?
Were you made in My image?
Are you Me? Am I you?
Where is My throne, in heaven?
And heaven is where?
The Kingdom of Heaven is where?
And accessed/entered into how/where?

17. Oh see the foolishness/littleness of your ways son of man that you are, and realize son of God you are, reality real. Is/was this not My message?
Our Father, our Father, our Father who art in heaven.
Heaven is My throne.
Where is My; throne?
In your temple not made with hands? Yes, amen and hallelujah to the lamb slain, if you choose Me.

18. Who is on your throne of intentions/authority this day/moment?
Who is in your temple?
Are you a temple? Of whom? Whose?
Of whose origin are you and what was My intent when I formed you?
Originally, originally, ORIGINALLY!!?
I love you.

19. Shall I say come again another day when I/you have healing/recognition in My/your wings?

20. Is reality real? Or is perception real? Are you sure?
Is science Mine?
Is healing Mine?
Are you Mine?
Is commerce Mine?
Is education Mine?
Is government Mine?

21. Can/would you like to build nations with Me, being a holy people, a special treasure unto Me, once not a people (6) understanding, but understanding your people cross every blood line-thought (7) for all are one blood (8), Mine.

22. Can the potter say, be like Me, to the clay?
Can the potter fashion potters?
Can/will the clay limit the potter?

23. Oh what/who will you choose to be/become this day, this hour which is upon you and forces you, forces you, forces you to choose?
There are no caves to protect you from making your choices.
Your mind, or Mine. You choose.
All act/receive accordingly.

24. This is the day/moment/second you are in and choose you do, must, this day.
All do, and no one can depend/point to another.
There is no abdication of choice and no one makes it surreptitiously.
All out in the open the inside is, and power in transparency of purity resounds and covers the earth with My word,s.
Amen.

25. Shall you say, see me this day, behold me?
And let Me behold you naked of all shame, pretense, thought of self; and let Me then show you Me?
Shall we covenant?
Shall we dance in/across the meadows, mountaintops, ranges past your knowledge/understanding to realms that excite Me/you/us and explore/adventure together as we create forever and ever? Oh, shall we?

26. This is My question to you this day.
You choose oh mighty of Zion; who is your king? You or Me? And the moment is now.
